5 Minutes Later...

The End.

**Darwin Theory.** The teenage boy gamer who becomes the blockhead shaped character Box Boy from the online game.

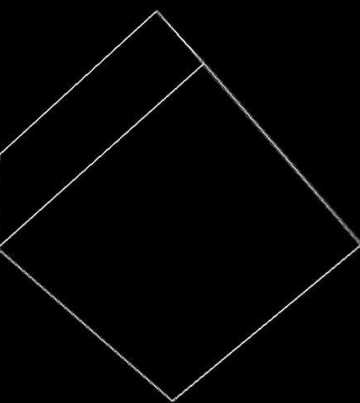

The image features a central circular area with a dense, scribbled texture, resembling a loading screen or a data visualization. This circle is enclosed within a square frame with a thick, dark border. The background outside the square frame consists of a repeating diamond-shaped pattern. The word "LOADING..." is written in a bold, pixelated font across the center of the textured circle. The overall aesthetic is reminiscent of early computer graphics or a retro video game interface.
